

Doing it differently: Social investment funding for Sport and physical activity.

We've been supporting clubs and community organisations across the county to explore how social investment can help them.

To explain more about social investment and to answer some of the commonly asked questions we've just launched a series of three podcasts.

The podcasts will be appearing here weekly from the 12th July 2021, they'll also be promoted via social media.

Here's the link to our first podcast:
