# Introduction

Street Tag is a free app where you earn points by collecting virtual tags when you walk, run, cycle, roll or scoot past them. Street Tag encourages families to become more physically active which boosts mental health.

When you sign up to the Community Leaderboard, the points you collect will be added to the total score for your team, and teams with the most points each season will win a prize.

There are virtual tags all-around Gloucestershire, including parks, adventure playgrounds and libraries. There are also other tags to collect around London and across the country which you will see in your app.

Once you are within a 40-meter radius of any virtual tag, your app will automatically collect the points, steps can also be synced and converted into Street Tag points.

The app works in offline mode, and your points will be added to the leaderboard when you are back online. Please ensure to sync your tags within 24 hours of collection in offline mode.

It's lightning-fast and easy to create new tags on your preferred walking, running, rolling or cycling route on Street Tag.

Anyone can create virtual tags around by clicking on the "Add New Tags" button within the map home screen of the app.

Use the Street Tag **Power Hour** to commit to an hour of exercise at least 15 minutes in advance and all your tag points collected during that hour will be tripled. You can opt for two power hours in a day. Maintain a daily streak of physical activity for even more bonuses.

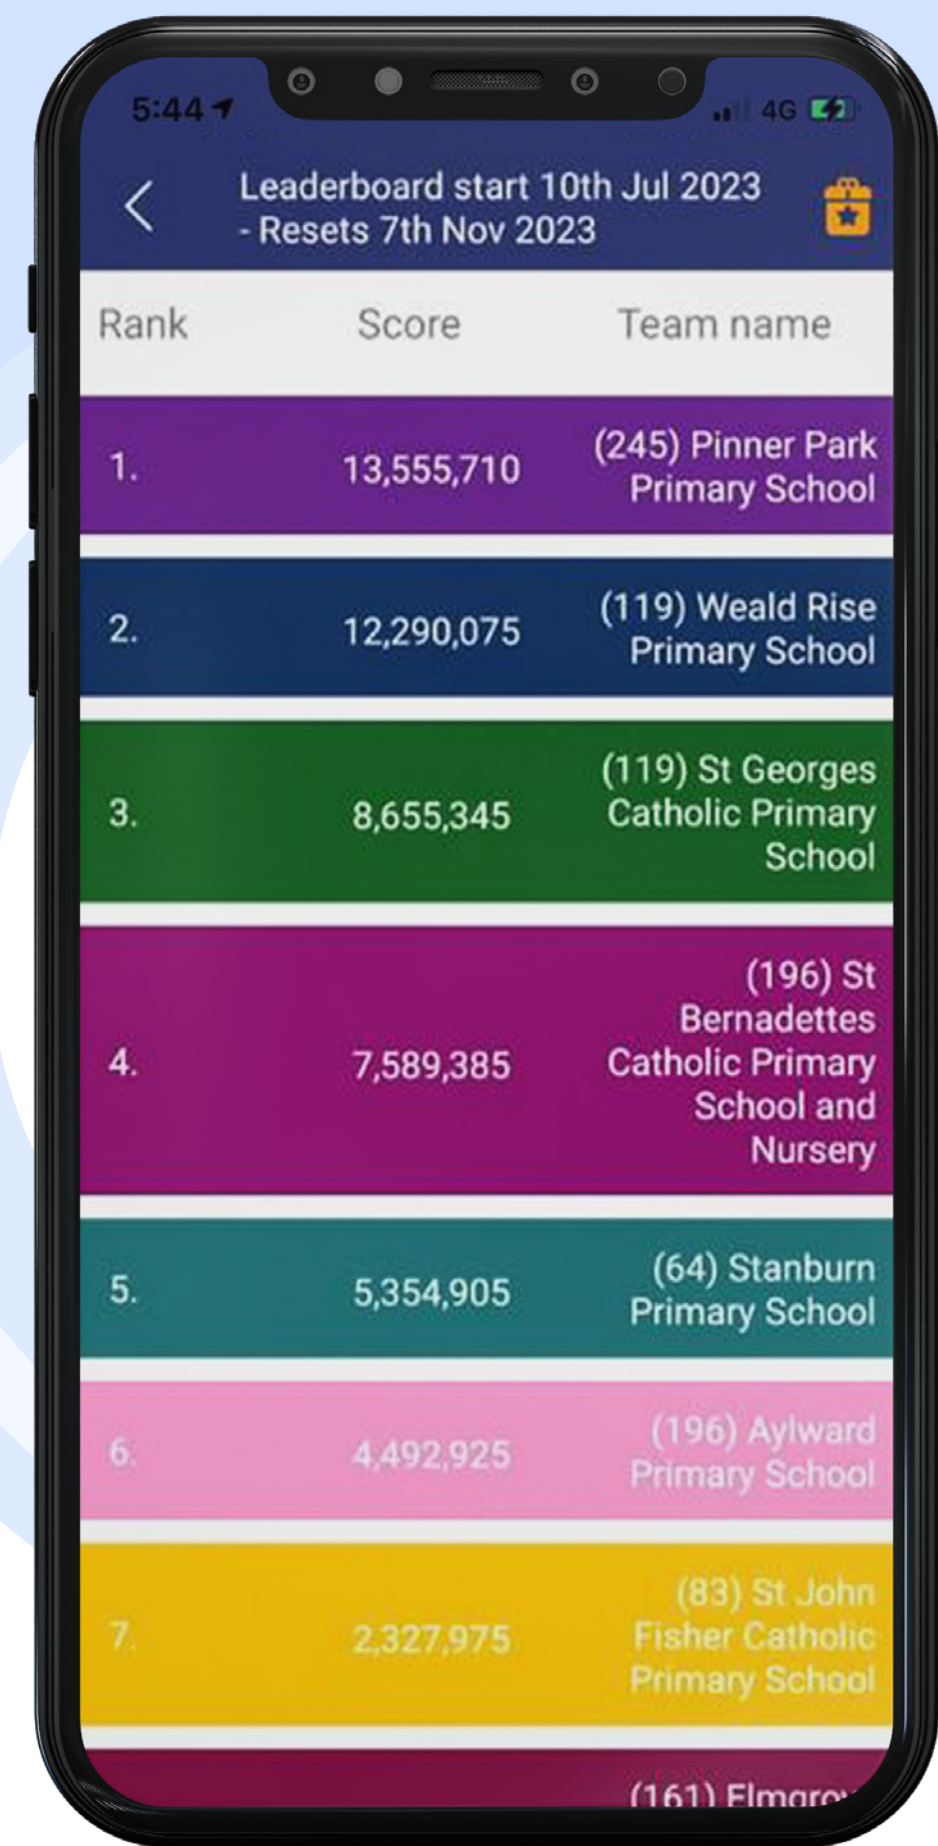

Start using Street Tag to explore and boost your daily physical activity and mental health. Collect virtual tags, sync your steps, try different experiences in the virtual playground and **WIN PRIZES.**

<https://streettag.co.uk/blog/boost-your-points-with-power-hour>

You'll need to set two Power Hours before the first one begins. If you don't collect any tags during the first hour, you have the option to reset both times. Just remember, there must be at least a one-hour-fifteen-minute gap between the two Power Hours.

Once your Power Hour starts, all tags collected within that hour will count for triple points! You can schedule your Power Hours up to 7 days in advance, but note that Power Hour is unavailable on Saturdays from 9:15 AM to 11:00 AM.
